Creating an Engaged Workforce

WEBEX support generously sponsored by:

[What Will We Be Discussing?](#)

Engagement is a measure of an employee's emotional and intellectual commitment to their organization and is one of the most critical challenges that strategic organizations can find themselves faced with. Engaged employees are more productive, more satisfied, and more likely to stay with an organization. So how can leaders engage employees better?

[Who will be Speaking?](#)

A panel of paramedic leaders will describe how they influence employee engagement among their team.

[How to Connect with this National Session?](#)

Please accept this email as an electronic invitation to join an Online Presentation. You may forward this invitation to others who may be interested in participating. All you need to attend is a web connected PC and a telephone. If your group is meeting in a central location, please consider using a speakerphone and video projector so all attendees can view the presentation and participate in discussion.

Instructions (please print this page):

1. **Click or cut and paste the following link into your browser's field:**
<http://firstwatch.webex.com/training>
2. You will arrive at the FirstWatch WebEx Training Center where today's scheduled meetings are displayed. Look for a meeting with the same topic as this session and click the "**Join Now**" link to the right of the meeting topic.
3. Follow the on-screen directions and enter your Name, Email Address, and the meeting Password: **emschiefs**. Press OK.
4. A WebEx Training Manager window may appear. Follow the on-screen instructions and install the WebEx software if necessary. This process may take several minutes.
5. If teleconferencing is included in this meeting, a "Join Teleconference" window will appear with a phone number and session or meeting code, and attendee ID. Dial this number and follow the voice prompts. The teleconference information is also listed above.
6. This presentation is best viewed using the latest version of Microsoft Internet Explorer, and with the system screen resolution set to 1024 x 768.

Teleconference Information: If viewing the session online, please join the online session first, then follow the teleconference instructions provided onscreen after you've logged in.

If you are *only* able to participate by phone, please follow the steps below.

- 1) Call-in toll-free number (US/Canada): **1-877-668-4490** or toll: 1-408-792-6300
- 2) When prompted, enter the Session/Meeting number: **809 302 727**, then **#**.
- 3) When prompted for your Attendee ID, simply press the **#** key again.

We **strongly** recommend that you test your PC and WebEx connection in advance. FirstWatch will be happy to help you with any technical WebEx connection issue *prior* to the scheduled start of the webinar, but will not be able to help once it has started, to avoid delaying or interrupting the session.
