CANADIAN
PARAMEDICINE
RESEARCH DAY
JOURNÉE CANADIENNE
DE RECHERCHE EN
PARAMÉDECINE

REGISTRATION NOW OPEN
INSCRIVEZ-VOUS DÉS MAINTENANT

If you are unable to attend the event live, register before May 25, 2023, to have access to the website, speaker recordings, and CME credits for up to one year!

Si vous ne pouvez pas assister à l'événement en direct, inscrivez-vous avant le 25 mai 2023 pour avoir accès, pendant un an, au site web, aux enregistrements des conférenciers et aux crédits FMC!

Please join us for the Second Annual Canadian Paramedicine Research Day to be hosted by a national coalition of researchers and services. As part of the paramedic services week, this virtual event will showcase exciting research from coast to coast! This year's theme is **Trouble on the Frontline: Evidence Based Approaches to Paramedicine's Biggest Challenges**.

Rejoignez-nous à la deuxième Journée canadienne de recherche en paramédecine, organisée par une coalition nationale de chercheurs et de services d'urgence. Dans le cadre de la semaine des services paramédicaux, cet événement virtuel mettra en lumière de la recherche passionnante provenant d'un océan à l'autre! Le thème de cette année **Enjeux de première ligne : approches factuelles des plus grands défis en paramédecine**.

Agenda / Horaire détaillé

Session One

Première session

7:30 MDT / 9:30 EDT

Emcee / Maitre de cérémonie – Dr. Luc de Montigny

Welcome and Territorial Acknowledgement / Bienvenue et reconnaissance du territoire – Dr. Ian Blanchard and Dr. Ian Drennan

7:35 MDT / 9:35 EDT

Opening Ceremonies / Cérémonies d'ouverture – Curt Young

7:40 MDT / 9:40 EDT

Nowhere Left to Wait: How Emergency Department Crowding Has Gone Beyond Hallways and Ambulance Ramps – Dr. Peter VanBerkel

7:55 MDT / 9:55 EDT

Comment le 9-1-1 nouvelle génération (NG911) pourrait transformer la prise d'appels d'urgence / How the Next Generation 9-1-1 (NG911) Could Transform Emergency Call-Taking – Thérèse Choisi

8:10 MDT / 10:10 EDT

Database Quality Assessment in Research in Paramedicine: a Scoping Review – Neil McDonald

8:20 MDT / 10:20 EDT

Multiple Out-of-Hospital Cardiac Arrest (MOHCA) Patient Events: a Scoping Review and a Case Series from a Provincial Cardiac Arrest Dataset – Jennifer Bacon

8:30 MDT / 10:30 EDT

A Cerebral Approach: Recognizing the Link Between Intimate Partner Violence and Traumatic Brain Injury Among Paramedics Could Ease Detriment to Survivors – Rory A. Marshall

8:45 MDT / 10:45 EDT

Great Debates in Paramedicine / Grands débats en paramédecine
Moderator: Dr. Judah Goldstein
Debaters: Carla Roy, Janel Swain, Sébastien Légaré, and William Masse

9:30 MDT / 11:30 EDT

Break: Upcoming Training and Educational Resources with Stryker, PEP Evidence Bolus, and Virtual Poster Rooms / Pause : Formation à venir et ressources éducatives avec Stryker, bolus de preuves signé PEP, et salle d'affiches virtuelle

Session Two

Deuxième session

10:00 MDT / 12:00 EDT

Tribute to Ron Straight – Dr. Jim Christenson

10:10 MDT / 12:10 EDT

Keynote Presentation: Keeping it Real and Spinning the Wheel – Navigating Paramedicine's Latest Challenges – Dr. Mark MacKenzie and Joe Acker
Invited Commentary on the Keynote – Dr. Walter Tavares

10:50 MDT / 12:50 EDT

Panel Discussion: the Changing Landscapes of Non-transport – Secondary Triage, Patient Refusals, and Alternative Pathways – Moderator: Nikki Little, Panelists: Christopher Robertson, Noël Dunn, Rick Ferron, and Sean Collins

11:30 MDT / 13:30 EDT

Check-box Solutions and Organizational Culture: Paramedics' Perceptions of Workplace Mental Health Supports – Sarah Salvis

11:45 MDT / 13:45 EDT

Exploring Paramedic Care for First Nations in Alberta – John Taplin

12:00 MDT / 14:00 EDT

Impact of a Community Based Paramedic Program on the Care of Intoxicated Individuals – Dr. Janelle Quintana

12:15 MDT / 14:15 EDT

Violence Against Paramedics: Findings from a Mixed Methods Research Program – Dr. Justin Mausz

12:30 MDT / 14:30 EDT

Stryker Presentation – Dr. Matthew Levy

13:00 MDT / 15:00 EDT

Break: Follow up Q&A with Stryker, PEP Evidence Bolus, and Virtual Poster Rooms / Pause : Questions-réponses avec Stryker, bolus de preuves signé PEP, et salle d'affiches virtuelle

Session Three

Troisième session

13:30 MDT / 15:30 EDT

Quality of Ventilations Performed During Out-of-Hospital Cardiac Arrest – Dr. Ian Drennan

13:45 MDT / 15:45 EDT

Substance Use and the Paramedic Role: a Scoping Review – Jennifer Bolster

13:55 MDT / 15:55 EDT

Current 9-1-1 Call-taking Practice Shows Poor Performance for Predicting Clinical Outcomes in Two Large Emergency Medical Services Datasets – Dr. Ian Blanchard

14:05 MDT / 16:05 EDT

Top Canadian Paramedicine Research Papers – Jennifer Greene and Zach Cantor

14:30 MDT / 16:30 EDT

The Canadian Paramedicine Researchers' Den – Moderator: Cheryl Cameron
Dragons: Dr. Katie Dainty, Dr. Aaron Orkin, Jan Jensen, and Jason Buick
Researchers: Laura Hirello and Rhys Clark

15:25 MDT / 17:25 EDT

Closing Remarks, Awards, and Acknowledgements / Remarques de clôture, prix et remerciements – Dr. Ian Blanchard, Dr. Ian Drennan, Jan Jensen, Lindsay Kellosalmi, and Buck Reed

15:30 MDT / 17:30 EDT

Survey and CME Certificates / Sondage et certificats de FMC

This activity in combination with the certificate of attendance has been approved for CME credits in the below Canadian provinces and territories / Cette activité, combinée avec le certificat de participation, a été approuvée pour des crédits de FMC dans les provinces et territoires canadiens suivants :

British Columbia: 4 CME (2022), not confirmed for 2023
Alberta: 24 CE credits
Saskatchewan: 14 CME credits (CME2023-87)
Manitoba: Not applicable
Quebec: Not applicable
New Brunswick: 8 CME credits
Nova Scotia: Eligible for submission under Group Learning Activity, Section 2
Prince Edward Island: 8 CME, not confirmed for 2023
Newfoundland and Labrador: Not confirmed
Yukon, NWT, and Nunavut: Not applicable

Ontario Base Hospital System:

- Central East Prehospital Care Program: Not applicable
- Sunnybrook Centre for Prehospital Medicine: 8 CME credits
- Health Science North Centre for Prehospital Care: 8 CME credits
- Ornge: Not applicable
- Northwest Region Based Hospital Program: Not confirmed
- Regional Paramedic Program for Eastern Ontario: 7 hours, ECA-1257
- Southwest Ontario Regional Base Hospital Program: 7 CME points
- Hamilton Health Science Centre for Paramedic Education and Research: 7 CME credits
