

# JOIN THE MHSW CRESTVUE TEAM IN YORKTON

Medavie Health Services West is expanding our dedicated team in Yorkton, Saskatchewan and is actively looking for:

**EMERGENCY MEDICAL RESPONDERS**

**PRIMARY CARE PARAMEDICS**

**ADVANCED CARE PARAMEDICS**

As part of our frontline care team working a 5-5-4 schedule, you'll work alongside a dedicated paramedic team to deliver high-quality, patient-centered emergency medical services while contributing to Medavie's mission of improving lives through innovative, compassionate care. MHSW Crestvue encourages professional growth through specialized training, career advancement support and leadership development. In 2025, MHSW Crestvue completed nearly 4000 calls for service, and is trending to exceed that in 2026.

The city of Yorkton is a vibrant regional hub known for its strong community spirit, accessible urban amenities with a rural feel, and proximity to beautiful prairie and lake country. This means that when the work stops, play is just a short walk or drive away. Whether you are moving as an individual or as a family - Yorkton has what you need, whether it be sports, health care, schooling or recreation.
