

Find a healthy workplace

The
Government of
Yukon is hiring
**Critical Care
Paramedics**

**Have you considered a
career in the Yukon?**

There are great opportunities that draw people to the Yukon.

We're a growing territory with good schools, natural beauty, great work-life balance and a sense of community which you'll find very welcoming.

As an employer, the Government of Yukon is focused on public health — and *your* health too.

That's why we offer generous leave time, work flexibility, bonuses and benefits.

Plus we'll support you in developing your career, taking on leadership roles and expanding your scope of practice.

You might be surprised by what's available in the Yukon.

Consider a career in the Yukon public service.

Salary range:

\$45.85 - \$53.08
per hour

Above: Thorin is our Facility Dog in Whitehorse, accredited through the Pacific Assistant Dog Society.

About this position

Reporting to the Superintendent, Air Ambulance the Critical Care Paramedic/Nurse will:

- Employ professional Critical Care Life Support skills to provide pre-hospital and inter-facility treatment and transportation to the general population.
- Evaluate the patient's clinical condition and perform detailed assessments in order to establish a treatment plan in support of optimal patient care.
- Work in environments where there is no medical support and where transport times routinely exceed four hours.

Contact

For more information about the recruitment process, please contact Ann Caron, HR Consultant at 867-332-6273 or annelouise.caron@yukon.ca

Tip: Remember the “EQs”

When applying for work with the Government of Yukon it's important to review Essential Qualifications (EQs).

These are listed in every job posting on our e-recruitment system.

Please address each EQ specifically in your resume.

Selections for consideration will be based solely on the information you provide in your resume.

Essential Qualifications (EQs): Critical Care Paramedic

- Current CCP/ACP license with a paramedic governing body in Canada without conditions or restrictions
- Recent experience delivering pre-hospital emergency care at the Advanced Life Support (ALS) level

Financial benefits

Travel Assistance

To help offset the cost of travel to and from the territory, eligible employees receive an annual subsidy of \$2,242. Employees become eligible for the "Yukon bonus" after the first 2 years of continuous service and every year thereafter.

No Sales Tax

Our cumulative sales tax rate is only 5% as Yukoners pay only the federal Goods and Services Tax on purchases.

Income Tax Breaks

Residents of the Yukon qualify for Canada's Northern Living Allowance, which reduces federal taxes. The benefit can reach \$8,030 per individual per year.

Competitive Salary and Benefits

Working with the Government of Yukon means earning a competitive salary with a pension and comprehensive benefits package.

Vacation and Leave Time

As a new employee, you will start with 4 weeks of paid vacation per year and long-term employees can earn up to a maximum of 8 weeks. Employees are entitled to 13 paid stat holidays each year as well as flexible work hours, special leave and more.

Opportunities for Growth

The Government of Yukon will support you with training to develop your skills. Our staff often work in an expanded scope of practice, which makes the Yukon an ideal place to build experience and take your career to the next level.
